FOR IMMEDIATE RELEASE

Local Legislator Honored by Farm Bureau

Representative Heather Scott, a Republican Legislator from Blanchard representing District 1, has received the Idaho Farm Bureau Federation's (IFBF) prestigious "Friend of Agriculture" award.

IFBF President Bryan Searle stated "The Idaho Farm Bureau is pleased to announce that Representative Scott scored a perfect 100 percent in voting on selected bills that were important to agriculture and our members over the past two legislative sessions. Representative Scott has proven to be a great supporter of agriculture and we appreciate her dedication to limited government and individual liberty in the legislature."

Every two years IFBF reviews the votes legislators cast on selected bills that are important to its membership. These bills are used to determine which legislators will receive the IFBF "Friend of Agriculture" award. This year five Idaho senators and thirty-seven representatives will receive the coveted award.

"Representative Scott takes the time to study these important issues and make informed decisions" stated Bonner County Farm Bureau President Dan Elliott. "Agriculture is so important to our economy in Idaho. We believe it is important to let the community know who those lawmakers are that support agriculture."

With over 74,000 Idaho families as members, the Farm Bureau is the largest general farm organization in Idaho. It is a voluntary, grassroots, dues-financed organization dedicated to strengthening agriculture and protecting the rights, values and property of our member families and their neighbors.
